

BETWEEN COVID-19, 5G AND THE ANTICHRIST

Sermon by Pastor Owen Nlekwuwa

Anchor Scriptures: Mark 4:24, Hosea 4:6, Matthew 22:9; Matthew 22:29, 1 Corinthians 14:33.

God is not the author of confusion.

The Spirit of God brings faith and order.

The Holy Spirit restores order even when there is chaos.

Whenever you see instability, the devil is at work.

A lot of information being circulated are fallacious, they are not factual. When lies and truth mix up, it is an extremely dangerous combination.

We need to be careful, **TAKE HEED WHAT YOU HEAR.**

No government, nobody has the capacity to stop the antichrist, only Jesus Christ can. Mark 13:32

All mobile communication technologies come with radiation.

There is no evidence found yet linking telecommunication radiation to cancer.

These things have been here all this while and the recent noise about it all just serves as a distraction.

5G and The Corona Virus

These rumours have three effects:

1. Fear
2. Confusion
3. Distraction

When these three things are going on concurrently, Satan is at work.

People are dying from the virus and going to hell.

It is a distraction, as a tool of Satan to keep man from repenting and going back to God, and for Christians who need to reach out to people and bring them to the kingdom of God.

We can do maximum good with technology. We should focus more on the advancement of the kingdom of God. We must make the message ride on the wings of available technology.

2 Thessalonians 2:7-12

It is the Holy Spirit that is restraining the full manifestation of Satan.

After the rapture, the Holy Spirit will leave the earth and the devil will have maximum room for expression.

There are obvious signs that the end is near. Do not be overly concerned with efforts to stop or delay the coming of Satan and the antichrist.

World Evangelism - Matthew 24:14

To reach the whole world, you need technology.

Focus on Gods agenda and talk more about what God is doing. 1 Corinthians 16:22.

In Conclusion, The Lord is coming. Lord Jesus, come quickly. Rev 22:20.

Pastor Owen Nlekwuwa is the senior pastor of Olivet Bible Church (Inspiration Centre). Olivet is conceived as a place of inspiration where you are equipped for maximum impact in society. Owen Nlekwuwa is Committed to human uplift with a vision to raise men and women for positive impact in society, and a strong passion for youth development, he is the Founder and President of Total Impact Ministry.
